21st annual - 2025
TUMBLE IN THE JUNGLE
Gymnastics competition

INTRODUCTION

Gymnastics is a sport unlike any other. It demands a level of commitment that goes beyond time, money and effort from both the athlete and their family. In return, it shapes not only strong, confident and highly motivated young men and women, but also individuals whose character and values extend far beyond the gym.

At Bozhi's Gym Nest we believe gymnastics is more than just a sport – it is a builder of character, an installer of ethics, and a teacher of lifelong skills. Our competitive teams are made up of gymnasts from across West Virginia, Ohio & Kentucky, with some travelling for over an hour to train with us. We are proud of the diversity within our teams and remain committed to welcoming athletes from across the Tri-State Area and beyond.

ABOUT THE EVENT

Our organization is proud to host the 21st Annual “Tumble in the Jungle” Women's Gymnastics Competition on **November 22-23, 2025**, at the Marshall Health Arena in downtown Huntington.

Each year this event brings together more than 400 athletes from All over West Virginia, Ohio & Kentucky and frequent visitors from clubs in Virginia, Michigan, and Pennsylvania.

More than just a competition, Tumble in the Jungle is a celebration of strength, determination, and the incredible spirit of girl power that every athlete brings to the floor.

SPONSORSHIP

One of the most important steps in planning a successful event is securing support from local businesses and corporate partners. Sponsorships help offset the costs associated with hosting Tumble in the Jungle and ensure that this event continues to thrive as a positive experience for athletes, families, and the community.

As always, a percentage of all sponsorship proceeds goes directly toward supporting our competitive athletes and assisting with their competitive expenses. Your contribution not only strengthens this event but also invests in the growth and success of young athletes across our region.
